Terms of Service

ClutchClip Publisher · Last updated: 6 November 2026

These terms govern use of ClutchClip Publisher (“the App”), a private tool operated by Clutch Clip (clutchclip.official@gmail.com) to edit and publish Clutch Clip's own short videos.

1. Who may use the App

The App is used only by the Clutch Clip team to manage Clutch Clip's own YouTube channel and TikTok account. It is not offered as a public service, and no one else may connect an account to it.

2. YouTube and TikTok terms

The App uses YouTube API Services. By using the App you agree to be bound by the YouTube Terms of Service and acknowledge the Google Privacy Policy. Content published to TikTok is subject to the TikTok Terms of Service and Community Guidelines.

3. Content rights

- The App only processes videos that Clutch Clip owns, or is licensed to use (for example under a creator's written permission or an official clipping-program brief, or under a Creative Commons licence with attribution).
- The App does not download videos from YouTube and does not bypass any platform restriction.
- Clips must follow the rules of the licence they are made under (for example required credits, hashtags and disclosures such as #ad).

4. Acceptable use

The App must not be used to post misleading edits, spam, artificially inflated views, or content that infringes anyone's rights or breaks platform policies.

5. Data

How the App handles data is described in the Privacy Policy.

6. No warranty

The App is provided “as is”, without warranties of any kind. Clutch Clip is not liable for indirect or consequential losses arising from its use, to the extent permitted by law.

7. Changes and contact

We may update these terms; the date above shows the latest version. Questions: clutchclip.official@gmail.com.
